Dear St Mary's Catholic Primary School,

Thank you for your lovely letter. I really enjoyed reading it. My favourite part was the decoration on the front cover. I like the way you created the old school uniform, especially the tie!

On Rosh Hashanah we go to the synagogue and we hear the shofar being blown. The shofar is a ram's horn that has one big hole and one small hole in it and it makes a lovely sound. If you don't blow properly it sounds like an extremely noisy door and it is not nice.

To celebrate we go to our family for lunch and dinner. We eat apple and honey it represents that we will have a sweet new year. If you are allergic to apples you can have Challah and honey. Challah is a special type of bread we have on Shabbat, this is where we celebrate G-d creating the world.

Happy New Year St Mary's

Yours sincerely,

Amy
