

RIVERS I KNOW...

How many different rivers do you know? Which country are they in? Do they cross into other countries?

Place them in the correct section of the Venn Diagram.

World Rivers

Welsh Rivers

English Rivers

Extension.

Now, use an atlas or a globe to find any new rivers that you didn't know before. Add them onto your Venn Diagram in a different colour.

You can use www.bing.com/maps/ select the automatic layer to see the rivers.
