

# WaterAid Sponsorship Form for \_\_\_\_\_

I am going to be raising money for WaterAid by completing one or more of the following activities.

This will help us raise money to help go towards providing clean water and sanitation to less developed counties.

Sponsored Run, Sponsored Cycle/ Sponsored Swim, Sponsored Read or Sponsored silence (Highlight relevant activities you will be doing)

You can either sponsor a fixed amount for the activities or a certain amount for each number of laps completed. e.g. 10p for lap run.

Thank you

Sponsored Cycling will be completed at home. The other activities will be done throughout the school day. The sponsored reading and silence can also continue at home!
