

## School Development Plan 2018-19

### Key Priorities:

- 1. Create a sustainable, long-term wellbeing ethos, that is passed on from every pupil and staff member, based on Growth Mindset, our School Values and Random Acts of Kindness***
- 2. Improve behaviours for learning through developing strategies to engage all children***
- 3. Ensure appropriate level of challenge for all pupils, especially the high achievers***
- 4. To set out clear intentions behind our curriculum design, its structure and implementation, and how it builds pupils' knowledge over time***
