Dear St Mary's

Rosh Hashanah is a New Year for Jewish people. Here is one thing that you need to hear on Rosh Hashanah. The shofar is generally made from a hollowed out ram's horn that is then blown like a trumpet on Rosh Hashanah and Yom Kippur, except when the holiday falls on Shabbat, in which case the shofar is not sounded. Rosh Hashanah is also the Day of Judgement.

My family went to our friends' house. We had so much fun. We played, ate and went to shul to hear the shofar. We dip apple and honey so we can have a sweet year.

Yours sincerely,

Adi
