North Cheshire Jewish Primary

Mission Statement:

North Cheshire Jewish Primary offers a highly motivating and academic atmosphere where children are encouraged and supported to reach their full potential. Its children are confident and proud about their Judaism and have a strong identity regarding their own community and the State of Israel.

Moral and ethical values are developed in order that children become good citizens and are taught to have understanding of different religions, races and ways of life.

The school prides itself on its caring and inclusive policy.

The School's ethos¹ demonstrates orthodox Jewish belief and practice, embodied in the principles of Torah and Halacha, in a modern setting. These include creating a sense of belonging, encouraging and preparing for lifelong Jewish learning, spiritual growth and practice, mutual responsibility within the Jewish community and the wider world, and the importance of Israel in Jewish life. Jewish belief and practice permeate every aspect of the School's activities and are intrinsically linked to its secular curriculum. The School welcomes families from any synagogue denomination or none.

In the case of oversubscription, the School will give priority to applicants who meet a religious practice test *based* on guidelines from the Chief Rabbi. Those applicants wishing to be considered a priority for available places must complete a Certificate of Religious Practice (CRP²) based on criteria such as the family's synagogue service attendance (irrespective of the religious affiliation) commitment to Jewish education and voluntary work within the community. Four points are required in accordance with the Certificate of Religious Practice (CRP²).

The School admits children aged four to 11 and all children must attend full-time schooling by the term in which they reach their fifth birthday (compulsory school age). The School's Published Admission Number (PAN) is 30. Additional children may be admitted under limited exceptional circumstances³.

The School will admit children at any time to all year groups, provided a place is available.

Parents are invited to visit the School prior to applying. Individual visits are welcome by prior arrangement. Please contact the School for details.

The School is not permitted by law to interview parents, or children, with a view to selection.

All children whose Statement of Special Educational Need and Disability (SEND) or Education, Health and Care (EHC) Plan that names the school (in compliance with the Children & Families Act 2014) will be admitted⁵.

5 Waiting List

For those applicants who do not receive an offer of a place, parents must advise the School, in writing, if they wish the child's name to be included on the waiting list. The School's waiting lists for all years will be kept open indefinitely and the School may check with parents, from time to time, to establish whether they wish their child to remain on the waiting list. The child's place on the waiting list will be determined at all times in accordance with the oversubscription criteria.

Following the application procedure for Reception places, and once initial offers have been made, the waiting list will be adjusted to include late applications. A child's position on the waiting list will not depend upon when the application was made, but will be determined by how the oversubscription criteria are met. This means that a child's position on the list can go down as well as up, depending on the circumstances of all applicants. In the event of a vacancy occurring, the place will be offered to a child on the waiting list starting with the one at the top, at the time, and working downwards until the vacancy is filled.

Parents are asked to inform the School when they no longer wish their child's name to remain on the waiting list.
