## Statement of intent

At NCJPS, we understand the need to continually deliver high quality education, including during periods of remote working – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

# Remote Learning During the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we must be prepared for local restrictions. If local restrictions apply, the school will implement provision for remote learning to ensure pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

## 1. Legal framework

  - DfE (2020) 'How schools can plan for tier 2 local restrictions'
  - DfE (2020) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'
  - Department of Health & Social Care (2020) 'COVID-19 contain framework: a guide for local decision makers'

## 2. Contingency planning

- 2.1 The school will work closely with the LA to ensure the premises is 'COVID-secure', and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- 2.2 The school will work closely with the local health protection team when entering into a local lockdown and implement the provisions set within their contingency plan.
- 2.3 The school will communicate its plan for a local lockdown with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 2.4 If there is not a local lockdown, but a single class or 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.
- 2.5 The level of remote learning provision required will be based on the government's four tiers of local restrictions. Where there are no local restrictions in place, the school will continue to remain fully open to all, and these tiers will not apply.

#### **Tier 1 local restrictions**

- 2.6 The school will remain open if tier 1 restrictions are in place, and remote learning will not be provided at this time.

#### **Tier 2 local restrictions**

- 2.7 The school will remain open if tier 2 restrictions are in place, and remote learning will not be provided at this time.

#### **Tier 3 local restrictions**

- 2.8 The school will remain open if tier 3 restrictions are in place, and remote learning will not be provided at this time.

#### **Tier 4 local restrictions**

- 2.9 The school will limit on-site attendance to just vulnerable children and young people. All other pupils will receive remote education in line with section 3 of this appendix.

- 3.6 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 3.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 3.8 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.

- Pupils in Years 3 to 11
  - Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice
  - Children in all year groups who are unable to access remote education whilst attending school on a hospital site
- 3.10 Before distributing devices, the school will ensure:
- The devices are set up to access remote education.
  - Appropriate safeguarding controls and support are in place to help pupils and their families use the devices safely.
- 3.11 Once devices are ready for collection, the school will either arrange for them to be collected by families from school or delivered to pupils' homes, ensuring infection control measures are adhered to as part of this process.

## 4. Returning to school

- 4.1 The headteacher will work with the LA to ensure pupils only return to school when it is safe for them to do so.
